Our ethos at Marleybrook House is one of client focus and our service to you will bring a calm and reassuring quality to every element of your special day as well as in the delightful planning of it.

You have the flexibility of sourcing your perfect suppliers thus enabling the decisions to still be yours, your wedding to be unquestionably yours and the very best bits of event planning to be there for you to relish.

THE THATCHED HOUSE & EXCLUSIVE USE

The venue is centred around a stunning 17th Century thatched farmhouse, former home to the legendary international singer, actress and cabaret star Eartha Kitt.

This immaculately presented thatched farmhouse is the perfect backdrop for your wedding photographs.

You are invited to access all 5 acres of the venue's stunning grounds including the breath-taking formal Walled Garden with Italian fountain, large open lawns, courtyard, pond with weeping Willow trees and the perimeter walk that runs alongside the stream from the River Stour.

AMBIENCE STYLING

It is everywhere!

Many features include a vintage tractor, Haywain, original carts and a red telephone box to name just a few. All can be used for great photograph opportunities or simply for a fun and creative backdrop.

THREE CEREMONY AREAS

You are uniquely offered a choice of three areas in which to take your wedding vows; two outside and one inside.

The different areas all seat up to 150 guests.

The stunning Oak Barn, constructed under a Kent peg roof, has a variety of uses at your disposal.

Conveniently positioned adjacent to the Event Suite, you have the opportunity of using this beautiful space in a number of ways, be it for: your ceremony, a photo booth, reception drinks, entertainment etc.

Complementary lighting and Kentish hops adorn the interior of the barn giving the space a truly rustic, warm and romantic feel.

The Glade

THE SIGNING ROOM

Directly adjoining the Walled Garden is the signing room where you will sign the register to legalise your marriage.

Furnished with a magnificent white baby grand piano and ostentatious high-backed chairs, wonderful photographic opportunities can be found here in this bright and beautiful space.

THE EVENT SUITE

A wide-angle photograph of a large, bright event suite. The room is filled with round tables covered in white cloths, each surrounded by light-colored wooden chairs. The tables are elegantly set with glassware, plates, and centerpieces of flowers. A large, ornate crystal chandelier hangs from the ceiling, which is draped with white fabric. In the background, a stage area is visible with a large 'LOVE' sign. The overall atmosphere is clean, bright, and sophisticated.

Walk through the beautiful entrance to an immaculately dressed Event Suite seating up to 150 guests. With three large crystal chandeliers and the draped garland innovatively entwined with ivy, Kentish hops and wild flowers, this is the perfect space for both large and intimate gatherings. At the far end of the Event Suite there is a stage and dance floor for your evening entertainment.

CH

A photograph of an outdoor garden terrace at night. The terrace is covered by a large canopy structure with a wooden frame. The underside of the canopy is densely packed with thousands of small, warm-white fairy lights, creating a magical, starry effect. The walls of the terrace are made of rustic wood and are decorated with various items, including a large clock, a sign that says 'LOVE', and other decorative elements. A bride in a white gown and a groom in a suit are standing in the foreground, looking at each other. The overall mood is romantic and intimate.

Adjoining the Event Suite is our Garden Terrace with decking and fairy-lit canopy together with specimen trees and lush hedging. This contemporary designed space is ideal for a barbecue or for your guests to socialise and take a breath of fresh air.

THE GARDEN TERRACE

SNUG BAR

Warmly lit and furnished with comfortable sofas, our bar with snug area has been designed to create a cosy and relaxed ambience. Interesting artefacts adorn the walls to complete the décor.

We stock a good selection of real ales, ciders, lagers and bitters including locally sourced choices.

Discerning guests will enjoy the extensive range of premium drinks on display including vodkas, gins, whiskeys, fine wines and champagnes.

The bar is open 90 minutes prior to your ceremony and stays open throughout the entire day until midnight.

STAR ENCLOSURE

Your Drinks Reception will be held within the Star Enclosure, equipped with dining and relaxed style furniture, Gin Bar and BBQ Hut!

Your chosen drinks will be displayed on the baby grand piano.

Additionally, this beautiful open space can be hired for the serving of food and extra seating for the Fairground.

Why not opt for a summer festival style Wedding Breakfast under the canopy and have a BBQ or Spit Roast served from our purpose built BBQ Hut!

In the evening, this area comes alive with the light up bar and coloured uplighters within the canopy!

OUTDOOR BAR & FOOD SHACK

This bar is open for your guests' arrival and will stay open during your drinks reception should your guests require a drink of their choice!

As an extension of our Snug Bar, it provides the same wide range and selection of spirits, lager and ales.

It also serves as our overflow bar for those thirstier weddings!

Certain evening food options can be served from here. The dual window enables us to divide service between both food and drink.

CHILDREN'S FACILITIES

We have a dedicated children's area with play equipment including swings, slides, climbing frames and a ground level trampoline which is a real hit!

High chairs are available, if required, as well as dedicated baby changing and nursing facilities.

We advise if there are a large number of children at your wedding (above 12) that either entertainment is provided for their enjoyment or a dedicated responsible adult is on hand to supervise them.

We also have garden games and many fairground items including swing boats, 4 children's fairground rides and traditional side stalls providing excellent entertainment for children of all ages. Our team will happily advise and develop ideas with you. Ensuring that children are happily entertained will allow you and your guests to feel relaxed whilst facilitating a comfortable environment for all to enjoy.

STAGE & DANCE FLOOR

The stage and dance floor provide the focal point for your evening entertainment.

The stage is equipped with overhead disco lights and directly accessed for the car park. A dedicated car parking bay is reserved for your band or DJ.

Adjoining the stage is a Green Room for any vendors who wish to prepare for the evening and relax between sets.

P.A. SYSTEM

We have two P.A. systems (indoor and outdoor) with microphones for your speeches and background music throughout the day.

LIGHTING

Ambience is everything! We provide all the ambience lighting to create not only your perfect evening but also for the all important day. Lighting is around all areas of the venue.

The Event Suite is cleverly lit with uplighters, LED rope lighting and fairy lights. All chandeliers are set with dimmer switches to suit the time of day. Whether it be an elegant feel in the day or a warm romantic glow in the evening when the lights are turned down, you can be sure we will create the perfect ambience for you. The Courtyard, laid to heritage stone and edged with ground level lighting, is magical at night with fairy lights around the roof line of the Oak Barn, Thatched House, Bar and Event Suite.

HEATING

We have a highly efficient concealed heating system within the Event Suite. This discreet system evenly distributes hot air via the floor level vents. To keep you cosy, desired temperatures can be reached very quickly even on a chilly evening.

DISABLED ACCESS

The venue is on one level thus making each area accessible to all guests.

FINISHING TOUCHES

For your convenience, we provide you with a selection of complimentary finishing touches for you to use on your wedding day.

Our cake stand is a raised 12" round milk glass in pale ivory; simple in design and extremely versatile and durable. It is complete with a Kings-style knife for those memorable photographs.

An ornate easel and frame, both in ivory, are provided for you to display your seating plan. A lockable vintage post box is also for your use and is a handy feature for any cards or vouchers that you may be given on the day.

All areas are decorated to a high standard, so you can walk straight in with the peace of mind that this has all been taken care of. We have ensured that all styling we have created at the venue is of neutral tones to complement your chosen colour schemes. You are of course welcome to add as much of your own styling if required.

FOOD & DRINK

When catering for any event, we are proud to be working solely with Scott Anderson Limited to provide you with an extensive range and style of food to suit your individual requirements.

We offer everything from sophisticated canapés and fine dining to less formal sharing platters, hog roasts and barbecues. Perhaps it is an afternoon tea or rustic picnic that you desire; we are both innovative and creative to be able to cater for all requirements.

Please refer to our menus for examples of what we can offer.

Our Wine List provides the opportunity to create a bespoke offering for your day. You will have the option to offer drinks to your guests at 3 points throughout your day; please refer to our Wine List for your choices. Your dedicated drinks manager will ensure your guests will not have to lift a finger!

A typical per person drinks package includes the following:

Daytime Reception - 2 flutes of sparkling

Wedding Breakfast - half a bottle of wine per person

Toast - a flute of sparkling

There are 6 glasses to a bottle of sparkling and 4 glasses to a standard bottle of wine

A selection of red, white and / or rosé wine may be chosen for your wedding breakfast

For this part of your day, we offer a non-alcoholic option of apple & elderflower fizz; these are served in an elegant crystal cut glass flutes to perfectly resemble the look of a sparkling wine! Pink lemonade is provided for children; these are prepared in old school style milk bottles, with striped straws.

Please see our Wine List for more information. Our Wine List is finalised each year, in the spring, ahead of our annual wine tasting event. This event is a lovely opportunity to try all the wines on our list, to help you decide what you would like to provide for your day.

FAIRGROUND TREATS!

Why not have your evening food served within the fairground itself! You may wish to opt for the 'oh so English' fish & chips and bacon rolls, or hot dogs together with bitesize treats, donuts or crepes for example. In fact, if there is any style of food you desire then we are open to suggestions.

You may even wish to theme some lighter evening food, to enjoy during the fairground, such as mini versions of gourmet burgers, pizza's or grilled cheese sandwiches! You may wish to keep your treats sweet with ice cream waffle cones or fruit crumble (served in rustic terracotta flower pots).

We can be as innovative as you wish thus bringing a fun and relaxed festival feel to your day with the added twist of sophistication.

By offering your guests something entirely unique, you will have them talking about your wedding for years to come!
