The TWIA Awards

Last year, we decided to enter The Wedding Industry Awards - better known as TWIA! A lovely couple of ours called Carla & Aaron nominated us after they had their wedding here at Marleybrook House. As we were nominated, we thought we might enter the competition to see what could happen! We completed the detailed application process which included uploading lots of photos and videos, as well as answering lots of questions about the venue and the ethos we hold at Marleybrook House. Then it was time to ask our couples from the 2022 season to vote for us and our couples came out in force to sing our praises!

In October, TWIA announced their regional finalists and we were really excited to be told we were a finalist for the South East!

Well, we did better than this... We went on to actually win this prestigious regional award for the TWIA venue category!

This then put us in the finals for the Nationals, and in January we travelled up to the Under Globe Theatre in London for the awards evening.

Whilst we didn't win the Nationals, we had an amazing evening and was able to celebrate with some Marleybrook friends!

Our first spring wedding!

ALICE & KIERAN

In April, Alice & Kieran's sensational wedding marked the start of a budding spring. They were blessed with the most glorious sunshine which made for some amazing photos from Kate Gray Photography.

They very kindly provided us with a sneak peek!

NEW

WHAT'S NEW FOR 2023?

Last year, we were inundated with requests for a Doughnut Wall! So here we have it! We always love to introduce something new!

This is a special wall as we purchased it from one of our couples in 2022 who's bridesmaid's husband had built for them. We love a piece with some history!

This will be available for hire at £95.

*Doughnuts not included

TIME FOR A MIX UP

This year we have mixed things up on our bars and will now be serving Brewdog, San Miguel and Somersby cider on tap!

We hope these more mainstream suppliers will tickle everyone's fancy!

We are so excited to announce, that this year we have built a brand new Dressing Room!

This sleek, new refurbishment is conveniently located behind the Oak Barn adjacent to the main house and replaces the previous Studio. This is available for your use from 11am or earlier should you opt for an early check in.

Showcase

SEE THE VENUE DRESSED!

Following on from our successful April Showcase, Marleybrook House will be holding a further Showcase this year for couples to view the venue as though it was a wedding day.

This event is a great opportunity for couples looking for their dream venue, as well as, booked couples looking for some vision or inspiration for their special day.

Our next Showcase is Sunday 24th September 2023. Marleybrook House will be fully dressed by a styling company to show the venue off in all its splendour! This is a fantastic opportunity to see the venue set up, chat to us and some handpicked suppliers as well!

All three Event Managers will be here for you to chat to and answer any questions you may have!
